She Science - a conference from a GENDER perspective

50 girl students passionate about Engineering, 4 female specialists in Engineering from Group Renault Romania, one female pilot and a designer - these are the "SHE - ingredients" for the best day for science! On International Day for Women and Girls in Science - February 11, Group Renault Romania celebrated the important role women have in the technical professions. The whole day event, suggestively named **She Science - a conference from a GENDER perspective**, took place in an exquisite place - Renault Technical Center from Titu.
